

Get involved

Exercise :

1- What does “ citizenship” mean for you?

2- students from different nationalities were asked to define citizenship. The following statements are some of their replies.

A

“ Citizenship is a quality, through which a person can contribute to the progress and development of the society from where he receives nourishment for his body and soul”. (Balasubre, India)

B

“ Citizenship refers to the relationship between the individual and the state, and more among individuals within a state”. (Mononye, Sudan).

C

“ Citizenship means being a member of and supporting one’s community and country. Voting, conserving natural resources, participating in local community projects are all part of citizenship” (Kane, USA).
